REMARKS

In the present application, claims 1, 3-11 are pending. No claims have been added. No Claims have been cancelled. Therefore, after revival and entry of this amendment claims 1, 3-11 are pending in the present application.

Drawings

The Application admits to 3 figures which have been filed with the application. Following are true copies of pages of the certified copy of the patent application.

Claim Rejections – 35 USC §101

Claims 1-11 were rejected under 35 U.S.C. §101 because embodiments of the claimed invention are directed to non-statutory subject matter. Applicant has amended the claims to include the limitations of playing audio using the determined jitter.

In light of the above, it is respectfully submitted that the present application is in condition for allowance, and notice to that effect is respectfully requested.

While it is believed that the instant response places the application in condition for allowance, should the Examiner have any further comments or suggestions, it is respectfully requested that the Examiner contact the undersigned in order to expeditiously resolve any outstanding issues.

Respectfully submitted:

/Steven A. Shaw/
